Insect-a-clear – manufactured with precision and 100% quality control!

The "Insect-a-clear" family has grown from a single machine to more than 30 different glue board and high tension grid fly killers providing a comprehensive range to suit individual needs. Each of our Insect-a-clear fly killers are CE approved and have been formally tested.

Bower Products is an independent family manufacturing business

A family business with more than 30 years' history of providing a comprehensive range of quality products to the Pest Control, Hygiene and Hospitality industries. Our professional and friendly sales team can provide all the technical information and honest sales advice that will help you select the right product.

Easy tube changing

The Insect-a-clear **T50** offers tools free servicing with a quick release guard and removable stainless steel high tension grid.

Two finishes are available - powder coated white and semi bright stainless steel. Shatter resistant lamps are available for both machines.

All models can be wall mounted, free standing or suspended.
