

Order Code:

Insect-a-clear

FG9WSS – GLU-90 / wall mounted with shatter resistant lamps

FG9SSS – GLU-90 / suspended with shatter resistant lamps

The flying insects are attracted to the GLU-90 by two, 20 watt UV tubes that is irresistible to flying insects.

Once the board is full it can quickly and easily be replaced. Once removed, monitoring by a pest controller or hygiene manager is easily undertaken.

The UV light source on the GLU-90 has not been restricted in any way by the use of plastic diffusers etc. which reduce the UV light output.

All machines are supplied with extension dust guards (not shown).

Actual size W 62.5 x H 38.5 x D 25 cm
(without dust guards)
