

Insect-a-clear

T35-15W

The *Insect-a-clear* **T35-15W** has been designed for use in restaurants, food shops, kitchen areas, fast food outlets etc., indeed anywhere where flying insects present a problem.

It offers tools free servicing with a quick release guard and removable stainless steel high tension grid.

There are 2 models, 1 in bright annealed stainless steel and the other powder coated white. Both models can be wall mounted, free standing or suspended.

Being only 23 cm high it is suitable for areas where there is a height restriction or space is at a premium.

The following features are incorporated on the *Insect-a-clear* **T35-15W**

Made for suspending, wall mounting or free standing.

All steel construction, zinc coated and then powder coated for excellent corrosion resistance or 304 grade bright annealed stainless.

Electrical plug and socket on machine side allows easy isolation for servicing.

Easy servicing, No tools required

Stainless steel removable killing grid.

A catchment tray for easy and hygienic disposal of the dead insects.

Shatter resistant lamp as standard

Conforms BS EN 60335-2-59 and the European EMC directive.

Screws and wall plugs are provided for wall mounting.

2 year guarantee (except lamp & starter). Terms and conditions apply
