

Insect-a-clear

Order Code:

FGN5SW - Nano G5 LED in white with a shatter resistant lamps

FGN5SS - Nano G5 LED in stainless with a shatter resistant lamps

The Nano G5 LED addition continues the range of the Insect-a-clears with the introduction of LED technology. It ensures even less power consumption than normal electronic ballast machines.

The lamp driver is located IN THE LAMP, thus when changed, ensures a 'new machine'. No more replacing expensive drivers after a few years.

It is a professional UK manufactured glue board insect control machine suitable for restaurants, kitchens, food shops etc. where flying insects pose a problem.

Made for wall mounting, suspending or free standing; the

'lift and lock' front guard enables tools free servicing

With competitive pricing and the option of white or

stainless steel, make this a very popular model

Actual size W 65 x H 35.5 x D 12 cm
