- FGN2BW** Nano 20 in white with a standard lamp
- FGN2BS** Nano 20 in stainless with a standard lamp
- FGN2SW** Nano 20 in white with a shatter resistant lamp
- FGN2SS** Nano 20 in stainless with a shatter resistant lamp

The Nano G20 is a professional UK manufactured glue board insect control machine suitable for smaller restaurants, kitchens, food shops etc. where flying insects pose a problem.

The large glue board and the specially developed 13 watt lamp ensures good coverage.

Made for wall mounting, suspending or free standing; the 'lift and lock' front guard enables tools free servicing

With a 5 year guarantee, competitive pricing and the option of white or stainless steel, make this a very popular model.
