HBL1XC – Blue Lightening in chrome

The Magnum **Blue Lightening** is the new generation high speed, automatic hand dryer that will dry your hands in approximately 10 seconds.

Using only 900 watts of power, makes it one of the most economical hand dryers around. Available in white or bright chrome, the Magnum Blue Lightning is perfect for high usage areas or where the client requires amazingly quick drying times.

If required, the heater can be switched off by removing the front cover.

Actual size W 24 x H 27 x D 18 cm
